Appendix 2 – Sub-Contract Conditions

Ref: MNV/Q005C/0401
Date: 07/04/2026
Sub-Contractor Name: Minova Holdings Sdn Bhd
Appendix 2 – Sub-Contract Conditions

1.0 CONTRACT SUM

The Sub-Contract Sum of RM 279,999.00 shall be fixed and based on the Bill of Quantities and/or Schedule of Rates, subject to adjustments arising from approved variations in accordance with Clause 3.0.

2.0 LIMITATION OF LIABILITY

2.1 The total liability of the Sub-Contractor under this Sub-Contract shall be limited to the **Sub-Contract Sum**.

2.2 The Sub-Contractor shall not be liable for any indirect or consequential losses, including loss of profit, loss of use, or business interruption.

3.0 PAYMENT TERMS

3.1 Payment shall be made as follows:

20% upon Commencement of Site Works and Delivery of Materials to Site
70% upon Completion of Installation
5% upon Testing and Commissioning
5% upon after 15 Months Workmanship Warranty Period

3.2 All payments shall be made within **7 days** from the date of invoice.
3.3 The Sub-Contractor shall be entitled to suspend works upon giving 7 days written notice if payment is not received within the stipulated period. All materials delivered to site shall remain the property of the Sub-Contractor until full payment is received.

4.0 VARIATIONS

4.1 No variation works shall be carried out without a **written instruction** from the Main Contractor.

4.2 The Sub-Contractor shall be entitled to **additional cost and/or extension of time** arising from any variation.

4.3 Variation works shall be valued based on:

- Rates in the Bill of Quantities, where applicable, or
- Fair market rates agreed between both parties

5.0 EXTENSION OF TIME (EOT)

5.1 The Sub-Contractor shall be entitled to an extension of time if delays are caused by:

- Adverse weather conditions
- Late site possession or restricted access
- Changes in design or scope
- Delay by other contractors or parties
- Delay in approvals or instructions

5.2 The Sub-Contractor shall notify the Main Contractor in writing of any delay event.

6.0 DEFECTS LIABILITY PERIOD (DLP)

6.1 The Defects Liability Period shall be **3 months** from the date of practical completion.

6.2 The Sub-Contractor shall rectify defects arising from workmanship at its own cost.

6.3 This shall exclude defects arising from:

- Normal wear and tear
- Misuse or improper operation
- Manufacturer defects (covered under supplier warranty)

XLUMINA ENERGY SDN. BHD. 202501015681 (1617096-A)

MINOVA HOLDINGS SDN. BHD. 1654564-U

7.0 WARRANTY

7.1 Equipment such as solar panels, inverters, and batteries shall be covered under manufacturer warranties.

7.2 The Sub-Contractor shall provide a workmanship warranty for installation works for a period of 15 months.

8.0 INSURANCE

8.1 The Sub-Contractor shall maintain:

- Workmen Compensation Insurance
- Public Liability Insurance

8.2 Contractor All Risk (CAR) insurance, if required, shall be arranged by the Main Contractor unless otherwise agreed.

9.0 FORCE MAJEURE

9.1 Neither party shall be liable for failure or delay due to events beyond reasonable control, including but not limited to natural disasters, government actions, or supply chain disruptions.

9.2 The affected party shall notify the other party promptly.

10.0 SOLAR SYSTEM PERFORMANCE

10.1 The performance of the solar PV system is subject to environmental conditions including weather, shading, and system usage.

10.2 No guaranteed energy generation shall be deemed unless explicitly stated in writing.

10.3 The Sub-Contractor shall not be liable for damages arising from misuse, overloading, or improper operating conditions.

11.0 INVERTER CONDITIONS

11.1 The battery system shall be operated in accordance with manufacturer guidelines.

11.2 The Sub-Contractor shall not be liable for damages arising from misuse, overloading, or improper operating conditions.

12.0 BATTERY SYSTEM CONDITIONS

12.1 The battery system shall be operated in accordance with manufacturer guidelines.

12.2 The Sub-Contractor shall not be liable for damages arising from misuse, overloading, or improper operating conditions.

13.0 SITE & STRUCTURAL CONDITIONS

13.1 The Main Contractor shall ensure that the site and any existing structures are suitable for installation.

13.2 The Sub-Contractor shall not be responsible for latent site conditions, including soil or structural inadequacies not reasonably identifiable prior to installation.

14.0 GOVERNING LAW & DISPUTE RESOLUTION

14.1 This Sub-Contract shall be governed by the laws of **Malaysia**.

14.2 Any dispute shall be resolved amicably, failing which it may be referred to **adjudication under CIPAA** or arbitration.
